1. The Three Major Events in the Intellectual Property Community Are About to Begin - Sanyou Looks Forward to Meeting You

In the near future, the three major events in the intellectual property community are about to commence. Sanyou eagerly anticipates meeting you in Beijing, Tokyo, and Hangzhou, and sincerely invites you to visit our booths to share industry hot topics, explore unlimited cooperation possibilities, and enjoy the intellectual property feast together!

Event Overview:

(1) The 13th China Intellectual Property Annual Conference in Beijing

Introduction: Established in 2010, the Intellectual Property Annual Conference focuses on hot topics and cutting-edge trends in the field of intellectual property including patents, trademarks, geographical indications, and the like, and builds a platform for international exchange and cooperation in the field of intellectual property.

Date: September 13-14, 2024 (Friday-Saturday) .

Location: Zhongguancun International Innovation Center • Zhongguancun National Independent Innovation Demonstration Zone Exhibition Center, Beijing, China.

Sanyou's Booth: Exhibition Center B37, B54.

(2) [2024 Intellectual Property & Information Annual Conference] in Tokyo, Japan

Introduction: The 2024 Intellectual Property & Information Annual Conference covers various information on intellectual property, including patents and trademarks. The conference is unprecedented in scale and rich in content, and can provide essential intellectual property information necessary for research, technology development, rights acquisition, and industrialization. It can be regarded as a bridge between intellectual property information providers and users in Japan and even the world.

Date: October 2-4, 2024 (Wednesday-Friday) 10:00-17:00.

Location: Tokyo BigSight, Japan (東京ビッグサイト).

Sanyou's Booth: West Exhibition Hall, Hall 3, Booth W3-17.

(3) AIPPI World Intellectual Property Congress in Hangzhou, China

Introduction: AIPPI, for the first time in its 127 year's history, will hold the World Intellectual Property Congress in China, with an expected attendance of 1,500 guests from over 80 countries and regions.

Date: October 19-22, 2024 (Saturday-Tuesday) .

Location: Hangzhou International Expo Center (HIEC), Hangzhou, China.

Sanyou's Booth: C05.

2. General Manager of Sanyou, DANG Xiaolin, was elected as Chairman of the Litigation and Dispute Resolution Professional Committee of the Beijing Patent Attorneys Association

Recently, the establishment meeting of the Litigation and Dispute Resolution Professional Committee of the Beijing Patent Attorneys Association and the themed salon on litigation and dispute resolution were successfully held. Through voting, DANG Xiaolin, General Manager of Sanyou, was elected as the Chairman of the Litigation and Dispute Resolution Professional Committee of the Beijing Patent Attorneys Association.

At the founding meeting, Chairman DANG Xiaolin and the members present jointly discussed the future development and key works of the Litigation and Dispute Committee, and raised the vision of working together with all members of the committee to tackle challenges and contribute to promoting the high-quality development of China's intellectual property industry.
